The following action is in response to the proposed amendment received October 6, 2005. Entry of the proposed amendment is approved.

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Claims 27-30 have been cancelled.

Authorization for this examiner's amendment was given in a telephone interview with Charles R. Schaub on October 11, 2005.

Allowable Subject Matter

Claims 1-4, 7, 8, 11, 13-18, 20, 21, 24, 26, and 31-35 are allowed. In accordance with MPEP 608.01(n)IV, claims 1, 2, 8, 11, 3, 4, 7, 13, 31, 33-35, 14-18, 20, 21, 24, 32, and 26 will be renumbered for printing as claims 1-22, respectively.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The prior art of record fails to show or render obvious a friction material having a first set of oil localization slots radiating from an inner edge and a second set of oil localization slots radiating from an outer edge, each oil localization slot defining an opening at the inner edge or outer edge, wherein the opposing sides diverge from the opening to define a reservoir, and wherein each oil localization slot has a width that varies along the length of the slot, the width of the slot being wider than the opening for the slot, as recited in claims 1 and 14.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Examiner Comment

The amendment to the claims overcomes the objection set forth on page 2 of the previous Office action. Accordingly, the objection to claims 11 and 34 is withdrawn.

The amendment also obviates the rejection under 35 USC 112, second paragraph. Accordingly, the rejection of claims 5, 10, 12, 23, and 25 under 35 USC 112, second paragraph, is withdrawn.

For the reasons set forth above, the claims distinguish over the prior art of record. Therefore, the rejection under 35 USC 103(a) is withdrawn.
